Active? 

Please Note: The inactive program will disappear from your list. If you wish to reactivate it make sure your Program Listing is set to show all programs, not just the active ones. Follow the same process except make sure the active box is ticked.

It is also worth noting that if you have no active programs or EOI programs running then your club will disappear from the club finder. So, it is best practice to always have an EOI for your next program up and running when you plan to archive a program.
