Hookin2Hockey is a junior participation program aimed at getting kids 10 and under into hockey.

Hookin2Hockey is the perfect after school activity. It's fun, you get to make new friends and it keeps kids fit and healthy.

We will be running Hookin2Hockey programs for all those future athletes out there at <Insert name of your club> in 2018.

Hookin2Hockey is an affordable introductory program designed to teach kids the basic skills they'll need on the hockey pitch.

By signing your child up for Hookin2Hockey you're ensuring that they'll gain exposure to a fun and vibrant team sport environment and hopefully they'll fall in love with hockey just like we did!

When you sign your child up they will receive eight action packed sessions and a free Hookin2Hockey participation pack that will set them up with equipment for the hockey season.
